

JUNIOR LEAGUE OF
KALAMAZOO

During these times, the health and safety of our Junior League of Kalamazoo members, and community partners are our highest priorities. Our Board of Directors has made several decisions regarding the 2020-2021 league year, and while COVID-19 has dramatically changed The Junior League of Kalamazoo's service delivery model, our commitment to the community remains the same.

We will be taking the following actions to continue to support the Kalamazoo area and our members.

- We will always align with the state of Michigan's executive orders as well as respect the reopening phases of our state.
- We will always comply with the guidelines presented by any community partners or businesses that we work with.
- At any in person event the Junior League of Kalamazoo will request attendees to complete a COVID screening tool.

How we are meeting:

Board Meetings: Our board will be meeting either in person or virtually. This will be at the discretion of the board members and there will always be a virtual option available.

Management Team: Our Management Team will meet virtually until further notice.

General Membership Meetings: Our GMM's will be virtual until further notice.

Volunteer Opportunities: Our Community Impact Committee will plan volunteer events that allow for a variety of contact methods including online donation events, virtual, and in small groups.

Fundraiser: Our Touch-A-Truck event now be virtual September 19, 2020 for our members, sponsors, trucks, and community to enjoy from the safety of their own home.

Membership: Our Membership Committee will plan social opportunities for our members and new members in a variety of methods while always adhering to the executive orders issued by our state.

On behalf of the Board of Directors, our members and our stakeholders we remain grateful for the support of our community. We hope that you and your families stay well and we look forward to continuing to serve our members and community through these times of unknown circumstances.

Sending well wishes,

Jennifer Blake, President

the Board of Directors and Management Team
